CAREER POSTING

McAsphalt Industries Limited - Transportation

Title/Position: Driver

Location: Atlantic Canada

Reporting to: Atlantic Transportation Coordinator

Responsibilities:

In the position of Driver your responsibilities will include but not be limited to driving and loading/discharging cargo on McAsphalt transportation and related equipment. You will follow all standard operating procedures and policies established by the McAsphalt Transportation department. You will also comply with all regulations set out by the Ministry of Transportation and any other applicable legislation.

Requirements:

Successful candidates will have a minimum High School/College Diploma, or equivalent experience. You have experience with Health and Safety programs, basic accounting and inventory controls. You will be required to work varying hours depending on the schedule and time of year. You must be able to legally enter the USA. All candidates require an A-Z license and a clean driving record. Punctuality and reliability are imperative and tanker experience will be an asset. A good sense of humor will also be required. The position will be subject to layoff from late November to early April.

Interested applicants are requested send a cover letter and resume by August 7, 2009 to:
