

CAREER POSTING

Title: Facility Manager
Location: Eastern Passage & Dartmouth
Department: Operations Department
Reporting to: Regional Manager, Operations

Responsibilities:

You will be responsible for the safe and efficient operations of our Eastern Passage and Dartmouth facilities key distributors of asphalt and related products for Atlantic Canada. You will ensure that all aspects of manufacturing, administration, maintenance, and safety are being carried out in an efficient and organized way.

You will lead continuous improvement initiatives for both facilities including the development and implementation of work instructions, processes improvements, managing product quality, direct labour costs and improving production/manufacturing efficiency.

You will ensure that production equipment and plant infrastructure remain in good, safe, working order. The transportation of raw materials and finished products, purchasing, inventory, budgeting, quality control as well as involvement in McAsphalt's preventative maintenance programs with the support of Head Office will be driven by you and will result in the delivery of superior customer service.

The Facility Manager will also be responsible for performance management of their employees including evaluations, training, approving payroll, and progressive discipline as well as being able to promote a culture of excellence while building and maintaining positive employee relations.

Requirements:

The successful candidate will have experience leading a team in a manufacturing environment coupled with a strong background in customer service. Preference will be held for those who have experience using a hot oil heater and steam boiler. Your ability to manage projects, resolve issues and motivate people are some of the attributes we look for in an Operations Manager. Candidates will possess a B Sc. in Engineering or equivalent experience, be familiar with bulk liquid terminals, have solid computer skills and a good sense of humor.

McAsphalt Industries offers competitive wages, comprehensive benefit plan and opportunities for growth and development. Interested applicants are requested to apply to Human Resources by sending your resume and cover letter to:
